

Earn Money For Your Organization

Crosby's is committed to its customers and community needs. That's why we created this program to help non-profit organizations.

Here's How It Works...

Schools, churches, shelters and other such groups may organize, through our office, designated weeks during which their members will be shopping at our stores. A check will be written for the organization based on 5% of the pre-tax purchases made by the individuals in the group on the designated shopping week.

Just fill out the application and return to our Corporate Headquarters (125 Canal Street, Salem, 01970) at least thirty (30) days prior to your first shopping week.

You may participate in this program for three non-consecutive weeks per year, excluding certain holiday weeks. You will be given identification vouchers for your members. They must sign their name and present these vouchers to the cashier prior to checking out. The cashier will then total the order and write down the total sales before tax on the voucher. The vouchers are submitted to the Corporate Headquarters at the end of the week. Payment will be made to the organization within twenty-one (21) days after a shopping week is completed.

DISTRIBUTING VOUCHERS IN FRONT OR INSIDE OF ANY CROSBY'S MARKET IS STRICTLY PROHIBITED.

If you have any further questions, please call Katie Ross at (978)745-4272 extension 33
